Shankaran Nayar has been living at Mangalore for the last 1½ years.

Krishnan Nambiar was going about Mangalore in search of a job after his services had been dispensed with by the Excise Department on account of retrenchment due to the prohibition at Salem. So both these men were not imported specially for the purpose. Since Shankaran Nayar was a qualified compounder, he was the best candidate available for the vacancy of an acting nursing orderly. Since Krishnan Nambiar was a retrenched excise peon who had worked in South Kanara District as such for about three years, it was only right that he should be appointed as an acting peon.

Please see the question at page 1 df. The question is an unstarred one. It is not clear what the intention of the member is. So far no restriction has been imposed in respect of the employment of menial staff. that being so it is doubtful whether any useful purpose will be served by this question.—

A draft Memo. to the S.G. is however put up below for approval.

The question does not seem to relate to a matter of great public importance.
